SERIAL No 1

I am enclosing for perusal an application from the the Principal, London Mission High School Bangalore to enable him to draw the Government grant in advance as the Dusserah holidays go on the 10th proximo The grants-in-aid given to these schools are for the purpose of meeting the salary demands and it would stand to reason to treat them as salaries for the purpose The budget classification seems to countenance this as these very grants are grouped under head 2 Salary and Rent, under 18 I (9) grants-in-aid I write to request you to treat the matter urgent and obtain orders to pass these grants-in-aid bills before the 28th instant, the last day that the treasuries will be open under the rules in force

Yours sincerely,

Sir,

I have the honor to request that you will be pleased to authorise the Countersigning and Cashing of the School grant in aid Bill for September 1911 before the end of the current month and to state the circumstances in which I ask for the Concession

In accordance with Government notification No 6847 Edn 183-10-3, dated 18 February 1911, the Dusserah holidays for High Schools are to last from Mahalaya Amavasya till the close of the Gazetted holidays, ie from the 22nd Sept to the 10th October inclusive this year The Staff therefore will have to be paid before the School closes on the 22nd instant or at least by the end of the month, as the holidays continue far into the next month

I am informed that a distinction is likely to be made between a Salary bill and a grant-in aid bill But as a grant-in aid bill is for the purpose of paying salaries I request that you will be pleased, as a general
